December  
2013 • No. 157

## Christmas Greetings from Ginnville!

Where did 2013 go? Here we are in December on the verge of dragging dead or fake trees into our homes and eating candy out of socks! Playing "Silent Night" on the radio till three in the morning. Separating the men from the toys! Robert Orben, please stop me!

Lynne Ginn is baking! Autumn Ginn is teaching music! And I, David, am magic-ing at schools, plus conjuring up NEW and OLD funny magic for children! Starting with — get ready! — **THREE NEW David Ginn DVDs!**

## LOST MAGIC! From the Almost, Nearly & Partly Unpublished Books 1987–1993

These out-of-print David Ginn books sold thousands of copies, and now you can get them as downloads from dealers who carry Murphys Magic. But how can you see the magic inside? **LOST MAGIC** is the answer! In the months before back surgery 2011, David amused himself (and kept his sanity) by shooting "basement videos" of the "unpublished" tricks with help from neighbor kids. Now he has carefully edited **40 clips** from the past showing this wonderful magic!

Check out the contents: Confusing Wands to Snake, Vanishing Coke to Streamer, Blooming Blossom, Sport Coat Warm-up, Magic Chalk, Hank Gamble, Money Hands, Little Indian, Mummy Finger, Fred Kaps' Toss Up Cane, Wand to Cane, Gurrreen Hank Mystery, Farmyard Frolics, Gene Gordon's Shoelace, Jumbo Snake Wand, Tissue to Silk, Coil from Ear, Secret Wand, Fast Silk Production, Light That Heals, Baby Pictures, Brainwave Rocks, One Hand Knot, Big Band Music, Optical Illusion Cards, Knot Dissolve, Rabbit's Mighty Leap, Cheat Blendo, Little Coin Vanish, Sponge Ball Rabbit, Indiana Jones Bucket, Big Red Card, Measle Bag and the Blow-up/Laminate technique.

BONUS 1984 Vintage Video: David loads his "Computerized Magic" show in the car, teaching you how, along with Leroy the Rabbit and five-year-old Autumn Ginn helping!

100 minute DVD with a ton of comedy magic material! **ONLY \$15.00!**

## The \$2100 Magic Kit!

Way back in 1992 David Ginn developed a simple magic kit using clip & paste tricks, a cheap two-card monte, and a fortune telling fish. As he and 13-year-old Autumn criss-crossed Georgia that summer doing 82 library programs, they ended up selling 2100 kits at \$1 each, thus the **\$2100 Magic Kit**. On this DVD David carefully explains how he created and made the kits, what he puts in them, and WHY they sold then and still sell now. But there's more —

On the second half of this DVD, David shares *seven money & counting tricks* he has used in school shows and even close-up. These include a performance of Money Hands from Lost Magic, plus Sixth Finger Countdown, Jumbled Number Silk, Panelo Bill Production, Australian Six Bill Repeat (and how to make it), Bob Escher's 7 1/2 Coin Trick, the Magic Money Poster, and Balancing a Coin on a glass. These are bonus tricks you can and will USE in your shows!

Running time 35 minutes. And worth far more than the asking price — **just \$15.00!**

**Check out the third NEW DVD on page 3!**

## Standing White Rabbit

This is the BEST RABBIT PUPPET I've ever used! He is now part of my Rabbit House routine in my pre-school shows and the current lectures. I actually change him into my real live rabbit Harry, but that's another story. He is a full body rabbit, could be used for a production. Your entire hand fits inside as Autumn demonstrated for me in her school classroom. He can clap his hands (your thumb & little finger), wave to the kids, bow his head and hide his face, and lots more. *He almost looks REAL, no joke!* I'll try to shoot a YouTube video of him in the new year!

A wonderful addition to your children's shows! **STANDING WHITE RABBIT: \$30.00**

## Adair Triangle Box

Brand New! Show Ian Adair's **TRIANGLE BOX** empty as I am doing in the photo. Close it back up and produce silks, sponge balls, or a white mouse! Easily holds a 12-foot (4-inch wide) silk streamer or three 18" silks. Well made, packs small and plays big. Good instructions too!

Want a new & different silk production? This is it! **TRIANGLE BOX only \$25.00**

## KIDTRIX by Paul Osborne

Paul Osborne has created great illusion plans in years past, but with KIDTRIX he has turned back to his love of children's magic. In this 8.5 x 11 inch 54-page book, Paul has written and illustrated some great make-it-yourself kidshow material: Giant Crayon, Pet Frog, Ear Cleaning Machine, Insurance, Magic Tables, Stratospheres, Poor Man's Snake Basket, Slingshot, Showmanship, Brainscan, Skunk Hunt, Kid's Kup, Cheapo Chop Cup, Mr. Lincoln's Hat, Jaws!, Catch Up Ketchup, Poof Tacos, Tube of Destiny, Balloon Sawing, and Top Ten. His architect style drawings make it clear how YOU can make these things. **Reg. \$30**

**Until Jan. 15, 2014 ... Autumn's Special \$25.00!**

## World's Most Famous Unknown Magician *New Book!*

Bob Carroll has worked school shows as a magician & vent more than 40 years, and he knows the real market! In 95 pages 8.5 x 11, Bob's original lecture turned into a journey about his career and adventures. Magicians, vents & clowns will learn dozens of tips to make school shows more practical and fun. This book contains the best ever Hippity Hop Rabbits routine! If you do schools, you'll read Bob's book cover to cover! **Amazing price — \$15.00!**

## Linking Rope Loops \*

Show 3 pieces of rope (red, green, blue) and tie each in a circle. Suddenly they link together. Amazing! They just as mysteriously UNLINK and you untie them. Easy gimmick, a little practice! Woven colored ropes and instructions, plus that simple gimmick. Magnetic! **\$20.00**

## Jumbo Vanishing Deck \*

Here is the "card trick that is NOT a card trick!" And it's so easy to do! Show a jumbo deck of cards in a **black case**. Remove the box, then tell a spectator to name any card. He says 3 of Diamonds. You tell him the first card you take out will be his. So you open the case and remove a 52-on-one jumbo card: his card is one of the 52. Yes, ha, ha — but it's not over.

Replace the card in the box and slide the box back into the black case. Say you'll make that person's card **VANISH** from the deck: one, two, three. When you turn it over, **the black box is empty — the entire deck & card box are GONE!** Facts: no card skill required, well made and easy to perform. Plus something better:

**ONLY \$15.00!**

**\* = See David perform it on YouTube!**

## Kidshow How-2 Plus! ... the DVD

UNREAL! Out of the clear blue I have managed to get my *Kidshow How-2* video AND the first *Bag of Magic* video PLUS bonus footage from Australia TV on one NEW "OLD" DVD! If you missed these long out-of-print video tapes, now here's your chance to see: (1) the *How-2* lecture showing 15 tricks & routines — Flower Wallet, Silver Sceptre, Spooky Spoons, Delightful Streamers, Scarf Juggling/Blendo, 3 Water Monte, Pet Store Pranks, \$100 Bill Silk, Glow Loops, Billy the Kid, Credit Card in Bottle, Chair Escape, IncrediCube, Crazy Book Bag, and Alien Surprise.

*Bag of Magic* is a **live classroom show from 1991**, featuring Clapping Hands, Man in the Moon, Purple Orange Eater, How to Knit Sox, Shrinking Gloves, Super Bunny, Picture Frame Fishing, Comedy Linking Rings, Picnic Surprise, and the Really Big Shoe Trick. **BONUS footage** shows me doing the Wilting Flower and Dancing Hank on Australian TV in 1989! You'll have fun & learn LOTS watching this DVD! **Only \$15.00!**

## Surprise! The BIG RED CARD!

Shown on the *Lost Magic* DVD and explained in the *Partly Unpublished* book, the Big Red Card is an unusual giant card revelation and a very simple force to get the **7 ½ of Hearts** — 11 x 17 inches large! We're saving you time by producing 500 of them! Furthermore, in this Autumn's Leaflet SPECIAL package, you'll get **TWO Big Red Cards** (one to laminate), with instructions for both stage & close-up versions. You can see me do a close-up version on **The \$2100 Magic Kit** DVD as well. Limited Time Only: **BIG RED CARD KIT — \$5.00**

## HUGE GINNVILLE SURPRISE OFFER

## Slate of Mind

Show an 8 x 10 wooden/plastic slate as I am holding in the photo. Six cards are clipped to its sides and a spectator chooses any card freely. When you turn the slate around, WOW!—your prediction *matches the spectator's card!* Easy to do, complete with slate, clips, cards, gimmicks and instructions. Children will even like this one! And all for only ... **\$15.00!**

## Magical Pencil Case

Open this plastic child's pencil case and it's empty. Oh, my, I won't be able to do my homework! Close the box, snap your fingers, then reopen it to show the drawer full of pens and pencils. This is a well made in plastic DRAWER BOX for pens/pencils. **And only \$8.00.**

## Jumbo Flower Wallet \*

Open this 7 x 9-inch black card-board wallet to show it empty. Close it, and when you re-open it, out pops a 9-inch diameter bouquet of four mylar spring flowers. That's not all — you repeat it three

more times to produce FOUR BOUQUETS in all! **Yes, after showing the wallet empty, you produce FOUR large bouquets!** Do it to music or do it talking! Twice as large as the original! Wonderful visual magic at — **Just \$20!**

## Magic Candy Box

You won't believe it, but this is a plastic DOVE PAN that is **5-inches SQUARE**. Furthermore, you can produce or vanish objects in the Magic Candy Box! Show the box empty, pop on the lid and immediately remove it to make candy or anything else appear. If you place the lid on by turning it 90 degrees, it will PICK UP the load chamber so you can make things VANISH! There has never been a dove pan made like this. Tons of possibilities for magical kidshow use. Magic Candy Pan — **Only \$12.00!**

## Tipple Topple Wand \*

When you hold this wand, the white end falls down. You fix that end, then the other end falls down. Kids love it when you play look don't see with this wand. I finally show both ends "fixed", then they both fall down for a laugh-filled finish. **\$25**

**Until January 31<sup>st</sup> — just \$19!**

## Happy Santa Blendo \*

Wave a string of four 12-inch silks (red, white, green, black) around, bunch them up in your hands, and instantly they blend into a 36-inch full color Santa Claus! Comes with instructions, 4 little silks, and the 36" Santa pure China silk. **\$35**

**Special until December 31<sup>st</sup> — \$27**

## Star of the Show!

*New Better Design!* Magic By Gosh made exclusively for me. Show a 2-inch yellow sponge ball and push it through your fist. When you open your hand, it has become a big YELLOW STAR 6-8 inches in size. It can be the Star of Bethlehem for Christmas shows, or use in a child's hand to open up, then pronounce the girl or boy "Star of the Show." **\$12.00**

## Giant Bouquet from 3 Silks

Show three large silken cloths empty one by one. Put them together, reach underneath, and pull out a HUGE BOUQUET of feather/cloth flowers. This uses the same method as "This" bottle production, a silk bag holding the bouquet

inside one large silk. Bouquet is 20" tall and contains 19 multicolored blooms! Yes, it's BIG! A custom feather bouquet this size would run over \$100! You get bouquet, 3 large silks, gimmick, and instructions. **\$49.00 complete**

## Giant MisMade Flag

What a great trick for July 4th in the USA! Magician tries to make an American flag in a change bag (or other switching device) but everything gets messed up. First the flag is red & white stripes only, then a mixed up red, white, blue flag KIDS LAUGH ABOUT! Finally you finish with a completed 24 x 36 inch CORRECT American Flag! This set of six silks should cost over \$50, but the large flags did not print as dark blue as Goshman wished, though your audiences will never know. I think they look FINE! Therefore, you get the 50% discount price: **only \$25.00!**

**Until January 31<sup>st</sup> — Special \$19!**

## 45" Happy Elephant Silk \*

Is it Barnum's Jumbo before he got big? At least he's happy! Again a new ORIGINAL DESIGN, thanks to Ken & Mollie Johanson, giving the feeling of child favorites such as Dumbo and Horton. Tell the audience you're going to pull an elephant, not a rabbit, out of your hat. Then produce this guy! "Okay, sorry, it's just a baby elephant! I guess I'm a dumblo!" **\$35**

## 45" Peacock Explosion Silk \*

Use it as a production silk, blendo silk, or background silk. When I produce mine, I ask the kids, "What kind of animal is this?" I listen to their replies, then say, "Who said turkey? Boy, if you think THIS is a turkey — I'm not eating Thanksgiving Day dinner at your house!" **\$35**

## 45" Rabbit Ta-Dah Silk \*

We designed this new ORIGINAL rabbit to compliment any magic or clown act. He's got pizzazz and personality! Just look at him waving that magic wand and the hand posed for applause. That's the applause YOU will get when you make this professional magic rabbit silk appear in your show! Nearly four feet square! **\$35**

**Until January 31<sup>st</sup>, all 45" silks — \$29 each!**

## Cloth Sleeve Bouquet \*

What delightful props! These new cloth TEN-Bloom Sleeve Bouquets are not only beautiful and colorful, but reasonably priced! Hide them in your sleeve (instructions show how), in a production box or tube, or hanging in a tube behind a table, chair, or even inside your coat. When you make them magically appear they spring right open! My friend Skyler is holding two of them, WOW! In my career, I've spent \$50-\$100 for sleeve bouquets. But these Cloth Sleeve Bouquets are only **\$22.00 each!**

## Bongo Monster Hat \*

Out of stock for two years! Nobody in the USA or UK had them! Now they're back — Ali Bongo's masterful, clever paper-folding novelty hat that David Ginn has used for 35 years, including just last week! Made of a tyvek style no-tear paper. Show the hat small and keep opening it up, making different kinds of hats. Finally the last one is a green monster — SHREK'S BROTHER! I tell them. When you order, ask for David's 2013 routine FREE! Packs small, plays big! Funny too.

**And just \$25.00!**

## Shake Silk \*

Show all four feet of the Shake Silk (about 7" wide) solid black, then you either swirl it around or just SHAKE it up and down...whereupon it turns inside out into a FULL COLOR rainbow streamer! Here's friend Marty Hahne of Rabbit Disaster Plan fame holding one! **Only \$15**

## Vernet Sixth Finger \*

You can do many tricks with a sixth finger, such as silk productions and vanishes. I just use it as a gag. I pretend to count my fingers. In doing so, I slip the 6th finger between two of my fingers and count 1-2-3-4-5-SIX! Whoops! One too many! I say, pulling off the 6th finger and tossing it aside into my case. Yes, it's a quick sight gag, but kids like it. They're used to seeing grandpa pull off his thumb or finger, but NEVER tossing it aside like this. So that makes it a real surprise.

**\$6.00**

## Jumbled Numbers Silk \*

Like my color changing Shake Silk, this 4-ft streamer turns inside out. Purple in color, it has large white numbers printed on it in the wrong order: 4-1-5-3-6-2. Shake the silk and turn it inside out revealing the correct number order! **\$15**

## Ethereal Salt Shaker \*

POUR the entire shaker of SALT into your fist. Show the shaker empty. Wiggle your closed fist fingers and open them — the salt is GONE! Now, close your other hand around the empty shaker or cover it with a silk. In two seconds the shaker is FULL OF SALT again! Yes, it's mechanical, it works great, and you can use it anywhere! **\$20**

## Oreo Sponge Cookie

Here is a 4-inch Oreo style sponge cookie that I have used in 500 shows. Hide it in your hand and produce from behind a kid's ear. Pull out of a Girl Scout cookie box. A hundred uses! Looks like a big version of the favorite cookie! **Just \$6.00**

## Color Explosion Blendo **PURPLE!** \*

Yes, I've always wanted a "Barney Purple" version of the blendo, and here it is! This replaces the sold-out green and nearly gone red blends we made in previous years! Wave around a string of silks, crush them in your hands, and open them up to reveal a large 3-ft full color silk! Includes 36" blendo silk, six little 9" silks, and instructions. See our website tutorials for more! **\$35**

## Ring Vanishing Hank

Excellent, well-made 18" square gimmicked pocket hank. Put a borrowed ring up under it and have spectator hold the "ring" through the hank. Meanwhile, you sneak the real ring away and make it appear elsewhere. When you pull hank out of person's hand, the ring is gone. Especially made for this trick! **\$6.00**

## Ultra Tube w/50 ft Streamer \*

Open this 9 x 18-inch colorful heavy paper tube and show it empty. Immediately roll it up, give it a tap on your palm, and out comes a beautiful silk streamer — 50 feet long! Also works as a dye tube or blendo tube. ULTRA TUBE is well-made, colorful, and inexpensive. **Tube only with instructions: \$20**  
• 50-Ft Silk Streamer: **\$35** • Tube/Silk Combo only **\$45!**

## Stretching a Rainbow

Show or produce (thumbtip) a 4-ft silk streamer. Wave it around freely, then begin to pull it back and forth between your hands. Suddenly the streamer becomes LONGER...6 feet, 8 feet, now 10 feet long, and the stretching continues until the streamer is fully 20 feet long and can be waved freely with the hands empty. I supply a 2" x 4-ft streamer, a 2" x 16-ft streamer, both gimmicked here in Ginnville, plus detailed instructions as I do the effect. **\$20**
