

Mom Mini Book

Celebrate your mom or a special person in your life this Mother's Day with a mini book!

1. Cut out a front and back cover from a cereal box, then decorate.
2. Cut out some pages from paper. Use fun scissors if you like.
3. Punch a hole in the corner of all of your pages and your cover.
4. Hold all of the pages together with a paper fastener.

Fill the pages of your book with:

- things you love about your mom
- why you are thankful for her
- coupons for things you will do for your mom
- a picture or two from home
- favorite memories
