

“Giving My Best” Coin Wallet

This see-through coin wallet is a great way to carry your offerings for church or missions!

1. Fold a large piece of plastic canvas in half.
2. Thread a piece of plastic lace through two holes of the canvas, near the fold. Tie a tight knot.
3. Sew the side of the wallet together, lacing the plastic lace through every other hole.
4. When you get to the end of the first side, place a small piece of canvas at the top, and continue sewing across the top. Be sure to only stitch the small piece and one top edge together.
5. Sew the last side together and tie a tight knot at the bottom.
