

2008 CHARACTERISTICS printable

Instructions:

- 1) Print and trim around the square.
- 2) Fold diagonally, then unfold. Repeat on other diagonal.
- 3) With printed side down, fold four corners in so points meet in the center.
- 4) Flip it over, and fold four corners in so points meet in the center.
- 5) Flip it over, and place thumbs and fingers into flaps (you may need to crease between the four squares)
