There are two ways to use your file:

- 1) Print out the pages, then write in your own handwriting.
- 2) Type your recipes and lists into the file, then print.

To do this:

- Click on a line and type. The TAB key will take you to the next line.
- Print the page(s) you've filled in, then erase your text and add more.

This file is for personal use only. You are free to print out as many cards and planning pages as you wish, even print some for a gift, but please do not share the file with others. Thank you.
